

InfraV

Dear customers!

English

Dear customers:

Recently, plagiarizing our page and pretending to be our official representatives has begun to appear on the Internet.

As a reminder, **www.infrav.shop is the only official page for the production of Fogiutte (Pro) and InfraV**. There are no official pages other than **www.infrav.shop**.

Therefore, buy goods only from the **official www.infrav.shop store**. When buying elsewhere, you run the risk of being scammed or getting a non-original product that is not covered by the Fogiutte (Pro) and InfraV warranty.

We wish you good shopping 💜

InfraV infrared hair straightener

- The only infrared model with mirrored 3D plates
- Built-in negative ion generator, due to which the hair acquires a special shine
- The most valued model of professionals, due to the extremely safe straightener plates
- Straightens the strand with one swipe or creates a fun curl
- Suitable even for the use of particularly damaged hair, after painting, etc.
